Follow the Tips for Packing to Ship

Send me an email at info@archiveyourpast.com so I'm expecting the arrival

I will email you the arrival of the box, condition, and verified invoice cost

We will make sure we both understand the process

I have no paid staff so your memories will get personalized care

I will do my best to return your materials and digitized images in a timely manner

Payment is by invoice. Your correct email address is essential to our communication.

Tips for Packing to Ship:

Place items together or separately in a plastic bag (Ziploc or comparable) to ensure that they are not damaged by moisture

Fill the box with padding so that materials don't shuffle during their mailing journey

Use a sturdy box, not an envelope

Make a brief inventory list of the contents

Fill out this form to include with your materials:
